

The logo for LAPWOOD GmbH is centered in the image. It features a stylized diamond shape composed of five parallel, slanted black bars. Below this graphic, the text "LAPWOOD" is written in a bold, black, sans-serif font, with "LAP" on the left and "WOOD" on the right. Underneath "LAPWOOD", the text "GmbH" is written in a smaller, black, sans-serif font. The entire logo is overlaid on a background of stacked lumber. In the foreground, several light-colored wooden planks are visible, while in the background, a large stack of dark logs is piled up. The background is slightly blurred, emphasizing the logo.

LAPWOOD
GmbH

...Dein Hersteller von Holzverpackungen!

Wer wir sind?

Wir sind der zertifizierte Hersteller von Holzverpackungen. Kerngeschäft unseres Unternehmens ist die Herstellung von Holzpaletten und Kisten.

Sitz

In unseren Standorten haben wir eigene Sägewerk, Produktion und Fertigung. Im Büro haben wir Verkaufabteilung, Buchhaltung und Logistikabteilung.

Produktion

Der automatisierte Prozess setzt sich aus Maschinen und Robotern zusammen. So werden unsere Paletten qualitativ hochwertig hergestellt.

Die Produktion wird mit Hilfe von Computersystemen und Sensoren unterstützt.

Maschinenpark

In der Holzwerkstatt wird ein professioneller, moderner Maschinenpark eingesetzt.

Dies ermöglicht uns die Durchführung fortschrittlicher Projekte.

Wir trocknen unsere Produkte unter besonderen Bedingungen.

CERTIFICATE

No 323-ZFT – 746/2021

Examination Objective:
Technical and organizational conditions for the production of wood packing material in the company:
„LAPWOOD”
Production Plant: PL 62-560 Skulsk, ul. Targowa 2 A

Customer: „LAPWOOD” S.C. M. Łukaszewski, B. Jędrzejczak
PL 62-500 Konin, ul. 3 Maja 70/8

Scope of examination:

- checking of the type and technical condition of drying-kiln,
- checking of applied heat treatment schedules and methods of recording of heat treatment process,
- random inspection of the quality and moisture content of wood before treatment,
- random inspection of the quality and moisture content of wood after treatment,
- checking of supervising method of the production process,
- checking of handling methods with wastes, defective raw materials and products.

Method of examination: The method developed in Wood Technology Institute

References:

- International Standards for Phytosanitary Measures No. 15 (ISPM 15),
- Regulation (EU) 2016/2031 of the European Parliament and of the Council of October 26, 2016 on protective measures against pests of plants,
- The Act of February 13, 2020 on the protection of plants against pests.

Decision:
Technical and organizational conditions of wood heat treatment in the company „LAPWOOD” assure that the production of wood products complies with the phytosanitary requirements as specified in the reference documents. Equipment and processes guarantee the heat treatment with a minimum temperature of 56°C for a minimum duration of 30 continuous minutes throughout the entire profile of the wood, including its core (HT marking of the products is authorised).

Number in: NATIONAL LIST OF CODES OF THE MANUFACTURERS OF WOOD PACKAGING MATERIAL ACCORDING TO THE STANDARD FAO/IPPC/ISPM 15: PL - 30 716

Certificate's Validity Period: until 09.12.2023
